## Message from the Board

Ladies,

Congratulations to Rosi Zuloaga, Block Kids Committee Chair, and her judges, volunteers, and persons donating. We had a fun and successful event at the Handy Elementary School on Thursday February 24<sup>th</sup>. The winner, Irving Rafael Zomora, constructed a house with a chimney and a swinging door. His project will advance to the Regional competition this month. He received 4 tickets to the Globe Trotters game at the Honda Center donated by Performance Contracting Inc. All 24 kids had their picture taken on a skip loader brought over by United Rentals. This is a good time in the lives of these children to introduce them to the construction industry. Their minds are sponges and we know they won't forget their participation in this event, maybe ever.

**NAWIC observes  
Women in  
Construction Week  
March 6-12**

*The focus of WIC Week is to highlight women as a visible component of the construction industry. It is also a time for the Orange County Chapter #91 to give back to the community. WIC Week also provides an occasion for NAWIC's thousands of members across the country to raise awareness of the opportunities available for women in the construction industry and to emphasize the growing role of women in the industry.*

Orange County Chapter is recognizing WIC week by helping raise money for the BITA Girls Teams to enter the Design/Build Competition April 9<sup>th</sup> and 10<sup>th</sup>. Please show your support by attending the car wash and Chilli's events that have been advertised on our website, [www.nawicoc.org](http://www.nawicoc.org). For more information on how you can help, contact Lynne MacVean, [lynne@mammothelectric.com](mailto:lynne@mammothelectric.com), or Jennifer VanBreda, [jvanbreda@simplexgrinnell.com](mailto:jvanbreda@simplexgrinnell.com).

The next NAWIC meeting is March 22, 2011, and recognizing Women's Health month, St. Joseph's Hospital will be presenting information on their major improvements

to the hospital. A Breast Center will offer excellence in breast imaging and diagnosis in a new state of the art patient and family oriented center, and 50 new private rooms in the Mother Baby unit where over 5000 babies are born each year.

Please make NAWIC a priority in your schedule this year. If you have any comments or suggestions, please do not hesitate to contact me via email, [molly.huddleston@clarkconstruction.com](mailto:molly.huddleston@clarkconstruction.com), or my office #714-429-9779.

**Molly Huddleston**

President, NAWIC OC #91

## WIC Week March 6-12

Women In Construction Week March 6<sup>th</sup> through 12<sup>th</sup>

Congratulations goes out to all of Region 12 for having 100% commitment for WIC week. We now have to begin planning our events for the week. Some great ideas past my desk from all the chapters in the Region. The ideas range from posters and pins to local gatherings at restaurants for fund raising, we even have a chapter holding a CPR seminar and OSHA training. I hope everyone supports WIC week in some form.

I would also like to note that March is Women's History Month. We also will be celebrating the 100<sup>th</sup> anniversary of International Women's Day on March 8<sup>th</sup>. Let's not forget about all the remarkable women in our countries past that have paved the way for all of us to be here, in our current positions.

Let's spread the word to all of our contacts while we are going about our daily business routines, March 6<sup>th</sup> through the 12<sup>th</sup> is WIC Week.

Orange County Chapter #91
